

How to Download a Permanent Key

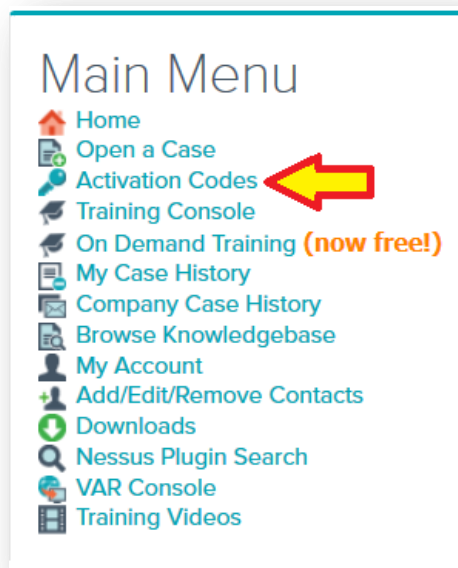

****A license key is not required when using LCE 4.6 or higher. You will have the ability to register the Activation Code to the Log Correlation Engine and SecurityCenter.****

Access your Tenable Support Portal: <https://support.tenable.com/>

The screenshot shows the 'Main Menu' section with a 'Home' link. Below it is a 'Login' section with an 'E-mail:' field, a 'Password:' field, and a 'Log in' button. At the bottom of the login section, there are links for 'Forgot Password/Activate Account?' and 'Amazon AWS Customer? Click here to create Support Portal Account'.

Select "Activation Codes" from the main menu:

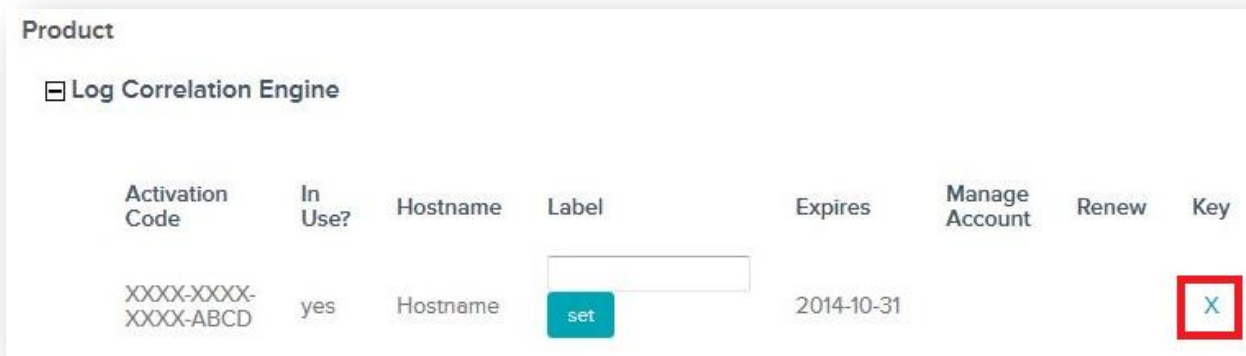

The screenshot shows the 'Main Menu' with a list of options. A yellow arrow points to the 'Activation Codes' option. The list includes: Home, Open a Case, Activation Codes, Training Console, On Demand Training (now free!), My Case History, Company Case History, Browse Knowledgebase, My Account, Add/Edit/Remove Contacts, Downloads, Nessus Plugin Search, VAR Console, and Training Videos.

Click on the “+” to display the product information.

Click on the “x” under the Key column to download your product key:
