### **Create Your Tenable Support Portal Account**

1. Click on the provided link to create your account. If the link does not work, please cut and paste the entire URL into your browser.

2. The End User will need to click "Click Here to Start".

3. If you do not already have a Tenable Support Portal account (this is not the same as a Tenable Store account, which is for purchasing only and not providing support services), click on "**New Customer**".

Were you a Tenable customer with a Tenable Support Portal account before this purchase?				
Please note that an account with the Online Store is not a Tenable Support Portal account.				
Existing Customer	Utilize an existing Tenable Support Portal account.			
New Customer	Create a new Tenable Support Portal account.			

4. Fill in the requested information with a valid corporate email address that will be used for the login to the Tenable Support Portal.

5. If you already have an account on the Tenable Support Portal, you still need to click on the URL to merge the new Activation Code with your existing account by selecting "**Existing Customer**".
