

NESSUS ACTIVATION

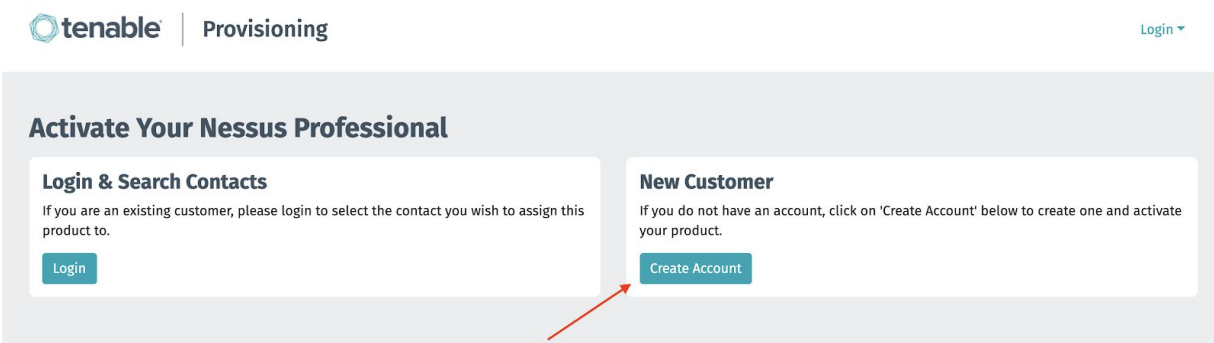

These instructions are provided to help the End User of Nessus create a Tenable Community account and activate their product(s).

CREATE YOUR TENABLE ACCOUNT

1. Click on the URL provided in your Order Confirmation email. If the link does not work, please copy and paste the entire URL into your browser.

2. If you do not already have a Tenable Community account, click on **“Create Account”**. If you *do* already have a Tenable Community account, skip to step (5).

- Fill in the requested information, and be sure to provide a valid corporate email address, which will be used for logging into the Tenable Community. You will be asked to fill in both User Information and Company Information.

Activation Code: ULFE-QA9F-FSMS-XD23
Start Date: 2020-03-09
Expiration Date: 2021-03-08

Getting Started

Log into your [Tenable Community](#) account using the email address above.

Navigate to the **'My Products'** page to locate and download the relevant product, then copy and paste the Activation Code into your instance when prompted.

Get up and running quickly using our [help documents](#) and [training videos](#).

Account Management

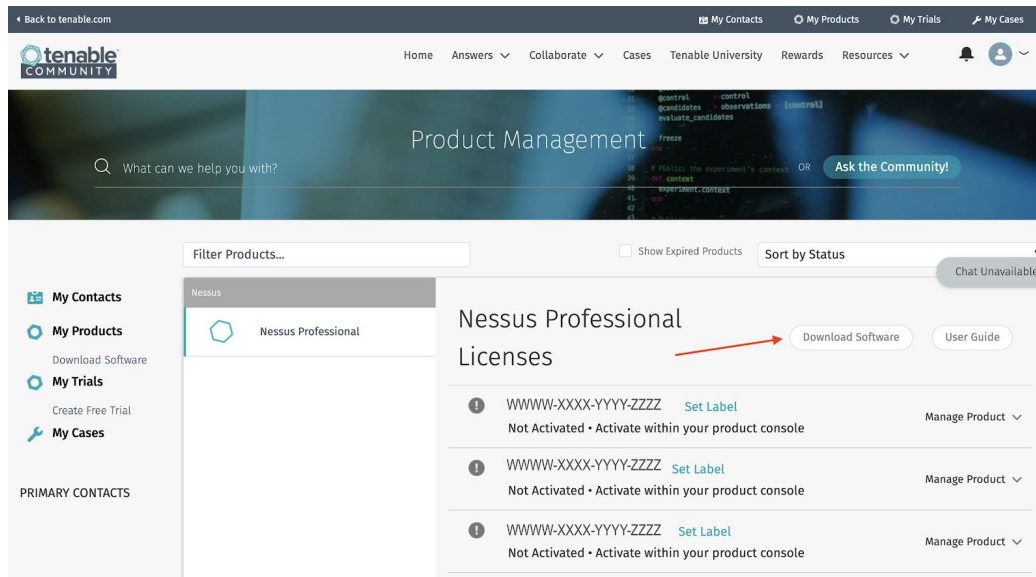

Learn how to view tickets, access 24x7 Technical Support, manage licenses, and add contacts from within the Tenable Community in our [whitepaper](#).

[Login to Tenable Community](#)

Click on the **“Login to Tenable Community”** button, or copy/paste the following URL into your browser to access the Tenable Community: <https://community.tenable.com/>.

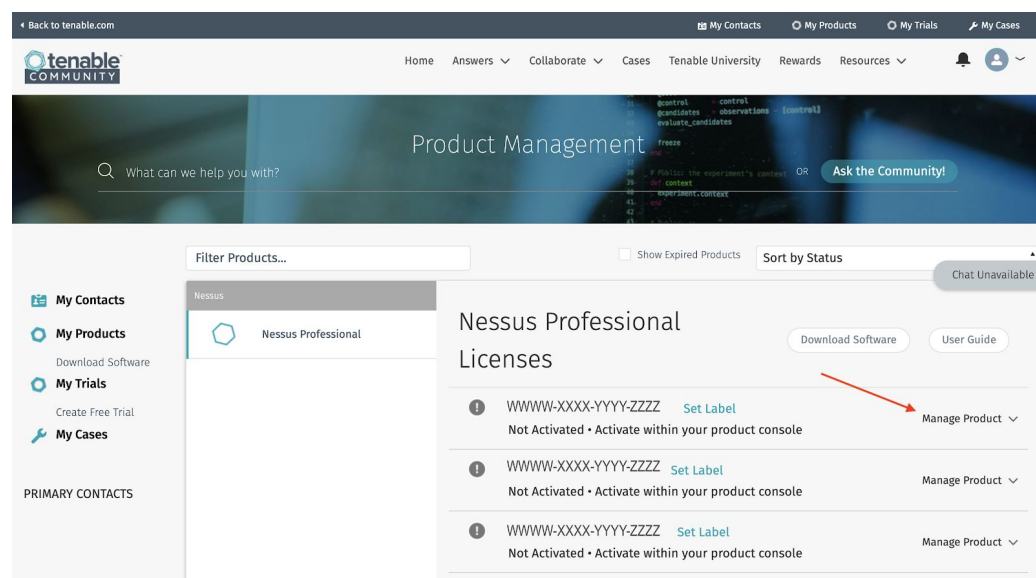

DOWNLOAD NESSUS

If you need to download Nessus, head to <https://community.tenable.com/s/products/> and click on the “**Download Software**” button. Alternatively, you can go directly to <https://www.tenable.com/downloads/nessus>.

INSTALL ACTIVATION CODE

1. To obtain your Activation Code for a particular product, head to the Products page in your Tenable Community account, and select “**Manage Product**”.

2. The Activation Code is listed under the Product Information section.

Product Information

Product Name:	Nessus Professional	 Set User Access
Activation Code:	WWWW-XXXX-YYYY-ZZZZ (copy code)	 Reset Product Activation

3. Use this Activation Code when prompted during your Nessus installation.
