

# SOLUTION MIGRATION WITH TENABLE PROFESSIONAL SERVICES

*The Solution Migration Service from Tenable® Professional Services moves you from where you are on your Risk-based Vulnerability Management (RBVM) journey to where you need to be. Our process-based approach can mitigate the challenges of migration so your organization reduce its Cyber Exposure risk.*

Migrating to a new solution can feel daunting, but Tenable Professional Services professionals have experience successfully migrating large enterprises. To tailor a migration engagement specific to your needs and objectives, we start by understanding your business objectives and desired outcomes. Then, we apply our proven methodology to get you there.

We offer a full cycle of services that include design, training, best practices, implementation, integration and support—all with your success in mind. Our approach includes:

- **Assessment, Planning and Design**
- **Product Training**
- **Implementation and Operation**
- **Integration and Automation**
- **Ongoing Support**

## Our Experienced Professional Services Team

Tenable Professional Services' implements products to solve your most pressing security problems, enabling your organization to see, predict and act on cyber risks.

We capitalize on our combined years of industry experience to tackle the most challenging requirements. We'll help you realize the value of your Tenable investment quickly so you know your RBVM program is effective.

Our broad portfolio of services and training is available worldwide, remotely or on-site, to meet your needs.

## About Tenable

Tenable®, Inc. is the Cyber Exposure company. Over 30,000 organizations around the globe rely on Tenable to understand and reduce cyber risk. As the creator of Nessus®, Tenable extended its expertise in vulnerabilities to deliver the world's first platform to see and secure any digital asset on any computing platform. Tenable customers include more than 50 percent of the Fortune 500, more than 30 percent of the Global 2000 and large government agencies. Learn more at [www.tenable.com](http://www.tenable.com).
